

Manual for Universities

For the Quantitative Metrics (Q_nM) wherever formulas are given, it must be noted that these are given merely to inform the HEIs about the manner in which data submitted by them will be used. *The actual online format seeks **only** data in a specified manner which will then be processed digitally.*

Metric-wise weightage is also given.

The actual online format may change slightly from the QIF given in this Manual, in order to bring about compatibility with the IT design. Observe this carefully while filling up.
